CAREGIVER BENEFITS

DO YOU KNOW ABOUT OPTIONAL BENEFITS?

BRAIN INJURY ASSOCIATION
WATERLOO WELLINGTON

DO YOU HAVE SOMEONE WHO DEPENDS ON YOU FOR CARE?

- Consider increasing your Caregiver Benefit if you are the primary caregiver for a person in need of care and are not being paid for your caregiving services, such as aging parents or young children
- You must be residing with a person in need of care to receive this benefit

STANDARD BENEFITS

- Maximum of \$250/week for the first dependent
- Additional \$50/week for each additional dependent
- Only available for catastrophic injuries

OPTIONAL BENEFITS

- Increase so that benefits can be claimed by catastrophic and non-catastrophic injuries

- Examples of non-catastrophic injuries include a broken bone or concussion
- Examples of catastrophic injuries include amputation or spinal cord injury

WHY WOULD YOU INCREASE YOUR CAREGIVER BENEFITS?

- Helpful for people who have full time responsibilities caring for dependents such as children or aging parents but do not receive compensation for their caregiving activities

FOR MORE INFORMATION CONTACT YOUR BROKER OR BROKER LINK INSURANCE

This post is not to be considered legal advice. Optional benefits, if purchased, are available as policy riders that may modify the quantum and/or duration of benefits. All of these benefits have specific requirements and eligibility. Different rules apply to people under the age of 18. Please contact your insurance provider for more information.
