Now it's YOUR turn! Watch this step-by-step on how to create the Field Daisies card

Materials Needed:

- 1) A blotter to put inside the card to prevent bleeding
- 2) A black, extra fine tip Sharpie
- 3) Highlighter markers of various colors

Optional:

- 4) Ruler to measure spacing
- 5) Pencil for tracing
- 6) Eraser

Step 1: With a ruler, draw a 1" line that connect a semi-circle to the top

Step 2: Connect the petals at the base of the flower

Step 3: Add the stems, making sure to avoid tracing over other flowers.

Step 4: Add 2 leaves per flower by curling them away from the stem

Step 5: Colour the center of each flower with your favorite colors
